**Decision of May 4, 2017 on approval of tariffs of the fee for the slot coordination or schedules facilitation services rendered on French airports.**

NOR: DEVA1706105S

The Minister of environment, energy and the sea, in charge of international Relations on climate,

Having regard to amended Regulation (EEC) n°95/93 of January 18, 1993 on common rules for allocation of slots at community airports;

Having regard to the Civil Aviation Code, in particular its articles R.221-12 and following;

Having regard to amended order of September 28, 2004 creating coordination committee of French airports.

Having regard to ministerial order of February 22, 2017 establishing a process to fix and publish the level of the charge for the slot coordination or schedules facilitation services rendered on French airport.

Having regard to ministerial order of February 22, 2017 designating COHOR as coordinator or schedules facilitator on certain airports.

Having regard to tariff proposal established by COHOR Association and the favourable opinion delivered by the coordination committee of French Airport at its meeting of December 13, 2016.

Noting that the consultation process of the committee has been respected.

Considering that the tariff proposal is complying with the general rules applicable to the fee for service,

**Decide:**

**Article 1**

The following tariffs of fee for the slot coordination or schedules facilitation services rendered on French airport by COHOR Association are approved:

1. For airports qualified as coordinated or schedules facilitation referred to respectively in Annex I and II of Ministerial order of February 22, 2017 designating COHOR as coordinator or schedules facilitator on certain airports

-1.98 euros per landing for aircraft operator

-1.98 euros per landing for airport manager

2. For airports mentioned in Article R.221-14 of the Civil Aviation Code, qualified as schedules facilitation airports or coordinated airports in exceptional circumstances  
-1.98 euros per landing for aircraft operator

**Article 2**

The approved tariffs shall be enforceable from July 1, 2017.

**Article 3**

This decision will be published in the Official Journal of the ministry of environment, energy and the sea, in charge of international Relations on climate.
